Dear Soroptimist International Members of Lodi:

On behalf of the Lodi City Council, may I express sincere congratulations to you on your recent, very successful fundraiser.

We are impressed that even though your agreement with the City was for a three-year repayment of the \$8,000 loan, you have already repaid \$6,000 of the original project loan and increased the project by another \$1,643 which you have also paid.

This is a very fine project and **your** organization should be truly proud of its accomplishments to this end and for the wonderful hours of enjoyment you have provided the children of *this* community.

Very truly yours,

  
James W. Pinkerton, Jr.
